QUALITY POLICY V1.2

The Company shall meet customer requirements by producing products that meet the required specification at a competitive cost within an agreed time scale.

To achieve its objectives, the Company has adapted the International Standard for Quality Management Systems BS EN ISO 9001: 2015. This standard is supported by the Company's documented quality system, which has the mandatory support of all the management and staff.

The Company Quality Policy shall be displayed within the Company's premises.

At regularly held Management Quality Review meetings the company shall: -

1. Review the adequacy of the policy and quality documentation, to ensure compliance with BS EN ISO 9001: 2015 and the Company requirements.
2. Set objectives for the continuous improvement and effectiveness of the quality objectives within the Company's Business Plan.
3. Monitor the current status within the area of purchasing, manufacturing and sales, then set targets and objectives for continual improvement.
4. Provide adequate resources to encourage development through training and technology.
5. Encourage the development of quality achievement with its suppliers and partners.

The Company is fully committed to the implementation of its policy and through its operation and maintenance, the achievement of customer
